

Our Family Law Team

Fixed Fee Divorce and Dissolution of Partnership Service

As a dedicated Family Law Team we are able to offer in many circumstances a fixed fee divorce/dissolution of partnership service for both Applicant and Respondent.

In addition, following divorce when financial arrangements have been agreed either in person or in Alternative Dispute Resolution, we can provide a fixed fee service to draft and submit a Financial Remedy Consent Order Application.

(All services include opening file procedures, providing terms of business and completing I.D. checks for money laundering regulations.)

The majority of applications before the Court in England and Wales will be subject to a fee payable applicable at the time of filing. Fees are subject to change by the Court and current fee details are detailed above, however, at the time they are payable, may have increased.

Other disbursements

Birchall Blackburn Law's policy is to carry out a comprehensive identification anti-money laundering check prior to instruction, charged at £4.00 plus VAT per individual.

When dealing with financial consent applications, where there is property involved to download a copy of the register of title from the land registry at £3.00 per title.

Fixed Fee Terms and Conditions

1. Payment to be made upon agreeing terms of business by debit or credit card (excludes American Express);
2. The fixed fee will remain payable in the event that the proceedings are suspended or withdrawn by the client. In the event that the proceedings are suspended or withdrawn by the opponent, assistance and representation may still be provided under the Family Department Teams' normal terms of business with fees payable on an hourly rate (as per page 1 of the estimate of charges herein).
